

Wag Central Dog Grooming Release Form

Here at Wag, we will be sure to take every safety precaution to ensure your pup has a great time and comes home looking great and smelling fresh. However, the grooming process may be stressful to some pets (puppies, seniors, dogs with medical issues). Upon intake, your dog will be checked in using our 5 point visual assessment, and if the groomer sees anything abnormal with your pup we will let the owner know immediately. This includes checking their eyes, ears, teeth, skin/coat, and nails/paw pads.

By signing this form I acknowledge:

_____ I understand the services that will be performed on my pet and agree to pay in full upon completion of these services.

_____ Should my pet require medical attention for illness or injury while in the care of Wag Central and its staff, I authorize Wag Central to provide emergency medical care and to transport my pet to a licensed veterinarian of its choosing for treatment. I agree to reimburse Wag Central upon pick up of my pet for any costs incurred in such an event. While Wag Central and its staff will make every effort to secure necessary veterinary care in an emergency, I will not hold Wag Central and its staff liable if unforeseen circumstances make it impossible for them to do so.
